The Finest Professional Car Care Products Made

## GT QUARTZ CERAMIC COATINGS TRAINING & CERTIFICATION CLASS

### TOTAL CAR PROTECTION

**GT QUARTZ™ LEATHER**

- Provides stain resistance from leather belts, blue jeans and other clothing dyes
- Liquid spills are easily wiped up

**GT QUARTZ™ GLASS**

- Water easily sheds off the glass improving visibility
- Reduces nighttime glare

**GT QUARTZ™ PAINT COATING SELECT™, PROFESSIONAL™**

- Enhances depth and clarity
- 9H hardness
- Protection ranging from 1 – 10 years
- Self-cleaning effects
- Protects against environmental and industrial pollutants

**GT QUARTZ™ RIMS/WHEELS**

- Wheels stay cleaner longer
- Dirt and brake dust easily wash off

**GT QUARTZ™ VINYL-PLASTIC-TRIM**

- Keeps trim pieces looking like-new by reducing fading

**ABOUT US:**

Since 1947, Gliptone has been staying on the cutting edge of vehicle beautification technology, from wax to polymers and most recently, Nano Ceramic Coatings. They are the latest advancement in vehicle protective and beautification products.

Nano Ceramic Coatings are completely different from traditional carnauba waxes and other paint sealants. Traditional waxes provide excellent depth of gloss and protection to the surface, but when exposed to environmental contaminants, sunlight, rain, snow, and repeated washings, average protection is typically up to 90 days. Nano Ceramic Coatings bond to the surface to provide enhanced paint protection that takes years to wear down.

### ATTENDEES WILL GET THE FOLLOWING:

- **History and Overview of Nano Ceramic Technology**
- **Hands on Surface Preparation**
- **Paint, Glass, Rim, Trim, Leather and Textile Coating Applications**
- **Comprehensive GT Quartz Training Manual**
- **Signed and Embossed Certificate of Course Completion**
- **Gliptone GT Quartz Certified Expert Craftsman T-Shirt**
- **Authorized Application Center Recognition on Gliptone's Website**
- **Carfax GT Quartz Coating Registration**
- **\$500 GT Quartz Product Credit**
